## Medium-Volume Paper Shredders

# A Synthesis of Technology, Performance and Design

The **intimus** 60 CP4 is a low/medium volume crosscut paper shredder that produces highly secure Level P-4 waste particles. Its small size, quiet operation and generous sheet feed capacity (up to 15 sheets) make it the ideal choice for use in executive suites, small/medium departments and small/medium offices.

Like all **intimus** shredders the 60 CP4 is built from durable, precision engineered, high-performance components; is designed for a long trouble-free life; and is equipped a wide range of ergonomic and convenience features.

In addition to paper the 60 CP4 also shreds credit cards, ID badges, & optical media (CDs/DVDs).
