TSI-4 s

Intelligent and
easy Document
Processing

An easy-to-use desktop
folder inserter that can
be used to process all
your mail

**A Dependable
All-In-One
Mail Management
Solution**

The TSI-4s series has 4 models with 1 or 2 sheet feeders and one insert feeder. It can place up to 5 pieces in an envelope (8 with the premium version) and up to 20,000 envelopes per month.

Job setup is through and easy-to-use graphic touch screen. Your mail will be processed on time, every time.

MAXIMUM FLEXIBILITY FOR YOUR APPLICATION

The TSI-4s is available in 4 configurations: One or two sheet feeders with or without an insert feeder for reply cards or envelopes.

The flexFeed® function processes all document sizes including inserts, reply forms and return envelopes.

The manual mail function allows you to manually insert both stapled and unstapled sets of up to 6 pieces.

ENHANCED EASE OF USE

The TSI-4s is equipped with a 7" graphic touch screen that makes it easy to use and allows applications stored in the memory to be accessed quickly. A step-by-step wizard allows all users to define settings for their applications and store them in the memory for job recall.

The TSI-4s is very easy to use. Its compact size and low noise level make it suitable for use in every work environment.

TOUCH SCREEN

The 7" color display provides an intuitive wizard-based user interface for ease-of-use.
